

Hongkong Kannry Industrial Co., Ltd.

Partial Certificate of Analysis (Web Display) -

Dicalcium Phosphate Dihydrate (DCPD)

Version: RevA | Issued: 2025-12

1. Product Information

Item	Description
Product Name	Dicalcium Phosphate Dihydrate (DCPD)
CAS	7789-77-7
Version	RevA (Issued 2025-12)
Product Code	DCPD-MICRO
Manufacturer	Hongkong Kannry Industrial Co., Ltd.
Quality System	ISO 13485 Certified
Reference	Full standards & conditions provided in the Full COA.
Packaging	100 g - 1 kg / sealed HDPE bottle (typical)

2. Physical & Chemical Characteristics

Parameter	Typical Value	Unit	Method
Purity	≥ 98% (typical)	--	Titration / ICP
Ca/P molar ratio	1.00 ± 0.02	--	ICP
Particle size	< 10	µm	Laser diffraction
Specific surface area	2 - 8	m²/g	BET
Loss on ignition (200-400 °C)	≤ 8.0	% (w/w)	LOI

3. Compliance Statement

Values shown are typical. Exact standards, acceptance criteria, and test conditions are provided in the Full COA.

4. Additional Notes

Full analytical package (PSD/BET, ICP, XRD, SEM/EDS, etc.) is available upon request.

5. Request for Full Report

Request the Full COA via info@kannrybio.com or www.kannrybio.com.
